Sample Guide v10.26

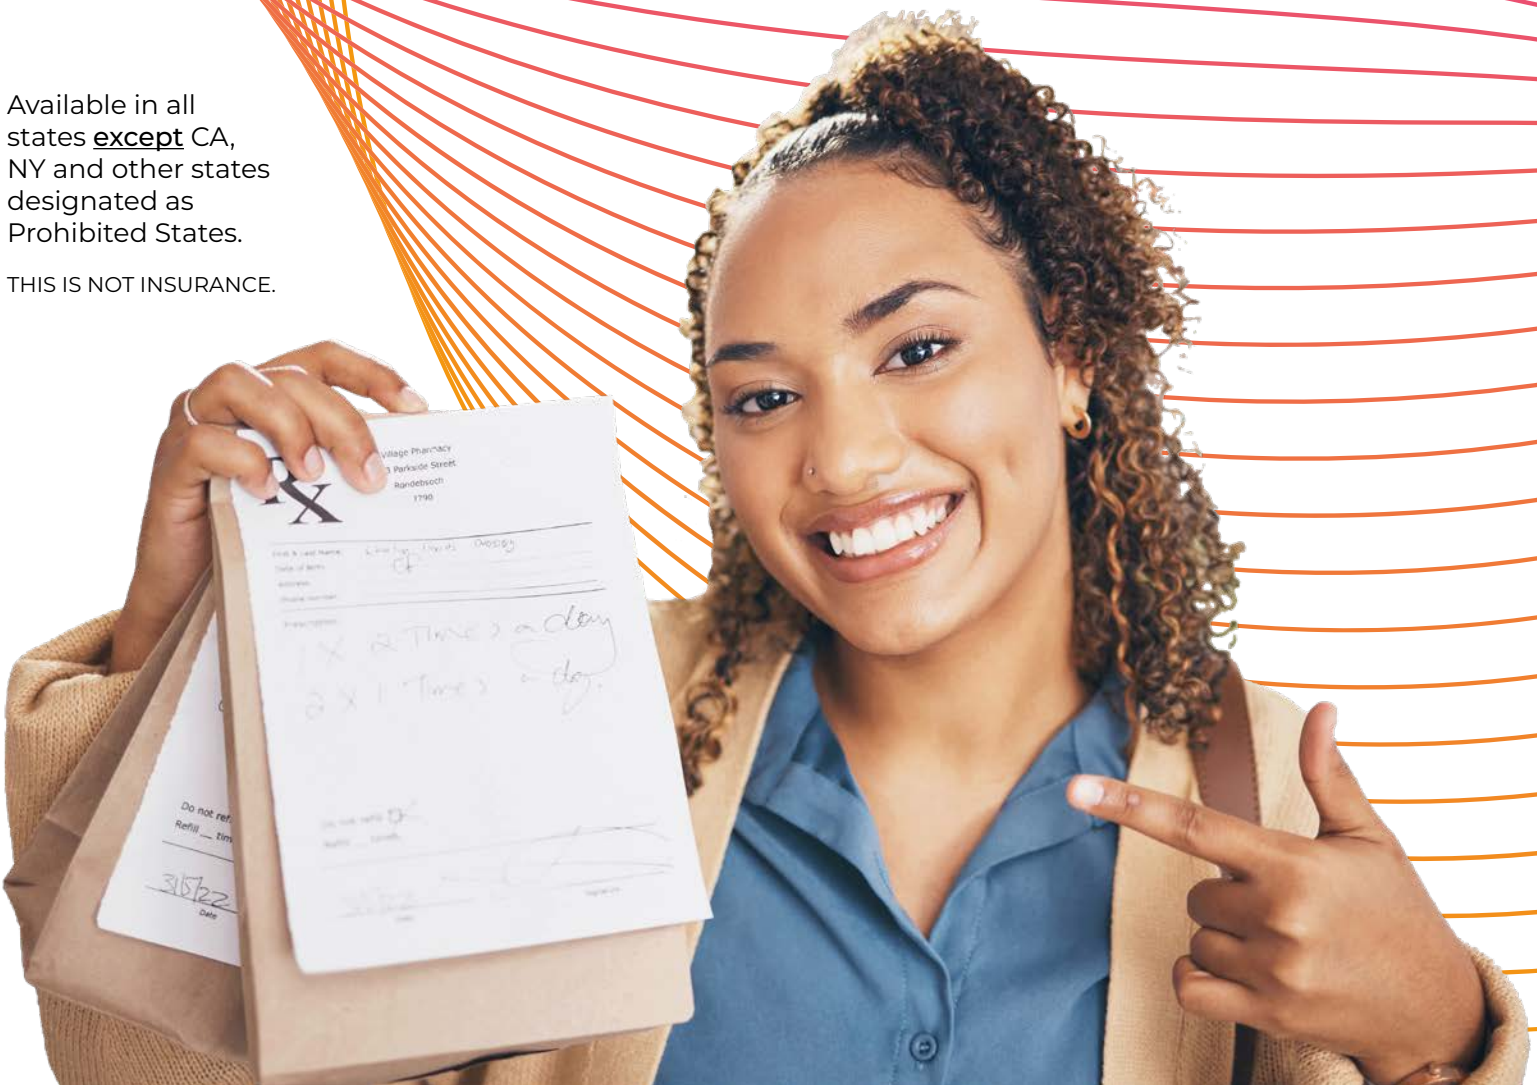

Direct Access RX: \$0 Cost for Approved List Medications!

An Affordable RX Program for Urgent Care Needs

For just **\$10** each month, **covering the whole family!**

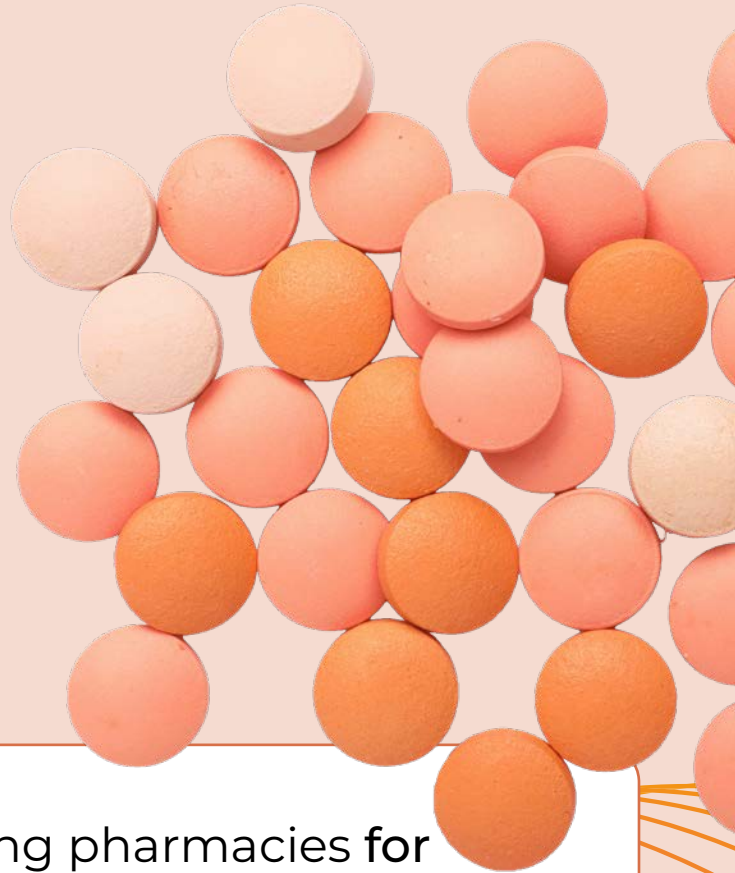

Available in all states except CA, NY and other states designated as Prohibited States.

THIS IS NOT INSURANCE.

What is FUSIONRx?

A direct-access
prescription program
for commonly needed
medications.

\$0 cost at participating pharmacies for
approved list medications.

It helps members get approved urgent care
and chronic medications quickly, easily and
affordably.

FUSIONRx is not insurance and is not a
discount card.

Only list medications and their approved dosages are available at a \$0 cost. Medication availability and pricing are subject to change anytime. The approved medication list is provided for reference only and does not guarantee pricing. Final member cost is determined at the point of sale and may vary based on pharmacy and drug manufacturer.

THIS IS NOT INSURANCE

Why choose **FUSIONRx?**

1

\$0 at the pharmacy for **approved** acute urgent care and chronic medications.

2

One streamlined program for urgent and everyday prescription needs.
